

Brent Brock

March 8, 2019

Brent Wayne Brock, 54, of Tomball, Texas was taken from his family and friends on March 8, 2019. He was born on June 11, 1964 in Atlanta, Georgia but got to Texas as quickly as he could where he was raised in Amarillo, Texas.

Brent was the consummate Texan. He was a hardworking member of various Houston Livestock Show and Rodeo Committees including Corral Club and Houston Metro Go Texan Tomball Magnolia Montgomery Subcommittee, loved Texas A&M football games, and had a true “Come and Take It” attitude. He was also a Civil War buff and loved exploring historical sites as his job took him around the country. He was a family man loved spending time with Adele, Breanna, Brandon and the rest of the family, he traveled, he coached his daughter’s softball teams, and attending baseball games, especially when his son was playing.

He was preceded in death by his mother, Nelta Brock. The huge hole that is left in our family will be felt by his father, Richard Brock of Amarillo, his Wife “British Rose”, Adele Brock, and daughter Breanna, of Tomball, and his son Brandon and wife Maggie of Houston. His grandchildren Joshua and Aliyah will now grow up without his experience and guidance. He also leaves three loving sisters and their families Alice Lafferty and husband Charlie, of Wills Point, Stacy Stewart and husband Gary of Amarillo, and Diana Dow and husband Danny, of Sinton. He was Uncle Brent to ten nephews and one niece.

While the last page in the book of Brent’s physical life has been turned, the story his life told will continue to influence each of us.

“ I only knew Brent a little over a year but my wife called him my 'work wife' because all the stories I came home with. Brent was a character of characters. Never thought I'd go to work in an office somewhere and meet another fellow cowboy. For the short time I knew him we got pretty tight and I'm gonna miss his pretty face at the office. God speed, Brent. You won't soon be forgotten, cat.

“ I met Brent 3 years ago when we moved into the same building. From the very first time I met Brent we became friends We shared stories of our Fighting Texas Aggies and about our years of volunteering at the HLS&R.
