

Jacqueline Adams

March 8, 2019

Jaqueline Adams, Born October 8, 1952 in Lake Charles Louisiana but spent the majority of her life in the Houston Texas area.

She is survived by Billy Adams husband, Brenda Franco daughter, Blake McCardell grandson, Michael Constantine brother, Teresa Bennett sister, Joseph Bombola brother and extended family that all loved her dearly.

Everyone that knew her called her Jackie and she was a bright star where ever she went because Jesus Christ is the Love of her life. She was a beautiful blond that looked 15 years younger than her age because she kept herself in great physical shape but even better, her loving influence inspired by the Holy Spirit was extraordinary.

Every day began at 4:00 AM in her prayer war room for at least an hour or more praying for others before hitting the treadmill and weights, a light breakfast then off to get ready for work. Jackie loved her work because it made other people's dreams of home ownership possible. She was a hard working professional in the mortgage banking industry and had come to know hundreds of fellow professional's at a personal level.

Everyone knew that Jackie was a devout Christian and true lover of God's people no matter their circumstance. I knew Jackie better than any other human on earth because I lived side by side, hand in hand with this beautiful wonderful lady. She was truly that genuine and great human being that really proved that Jesus is the Truth the Way and the Life all the days of her life.

I will never be able to overcome the grief of losing Jackie to a horrible aggressive cancer that took only one year to destroy her body but her faith in God never wavered even until the bitter end. I am so blessed to have lived the kind of love life with Jackie that people only dream of for 45 years. I look forward to being with her again in the great and wonderful plan of God. "Thank You Jesus"

Billy Adams, husband

“ Jackie,

You inspired and encouraged me to know, love and rely upon the Lord on a personal level. Because of you, I am a better person. We shared so many memories. You were indeed one my dearest and best friends. I will never forget how you put everything on hold just to be with my loved ones in their time of need, as they approached their time to be with the Lord. You painted this beautiful picture of heaven, choirs of angels and meeting Jesus face to face. You helped heal my broken heart, but encouraged them to look forward to walking on streets paved with gold, healthy, happy and free of pain.

I have no doubt that my loved ones were among hundreds to greet you when you were received by the hands of God in heaven. They were there to share their gratitude for the love, support and encouragement you gave with them while in this world. You touched so many lives, especially mine. I remember so many conversations we shared about what Jesus would say once it was our time to go home. I know that the first words spoken to you were “JOB WELL DONE MY CHILD”

Billy, Brenda and family, please know that my thoughts and prayers are with you at this incredibly difficult time.

Love,

“ I had the pleasure to work with her from 2002 -2007 @UAMC. She was a great manager, she kept the large mortgage company running smoothly. I looked up to her & respected her highly. I was very sad to hear the news she had passed away but she is now home with the Lord. R.I.P Jackie. Love Michelle "MiMi" Rodriguez-Davis
