“ I've known Shawn since 6th grade, he was a sweetheart in every sense of the word, and always made everyone laugh.
I don't have the words to express how sorry I am for the loss of an incredible man.
He will be missed.

“ Shawn was my best friend after i moved to the magnolia area. He was a kind and caring person who gave to anyone in need even when he was not always in a position to do so. He was my brother. His passing has truly put a empty space in my heart. I will never forget this man and will carry his memory in my life for the rest of my days on this earth. I love you brother and know you are in a better place.

“ From GIOVANNI . I can remember growing up with Shawn and Jeremy, we use to play in the woods and building tree houses there. We had had great times as kids. I remember catching a ride in High school on that that little red buggy car he had it was fun . I remember when we were about 16 and 17 years old going to New Braunfels floating the river, we put on goggles and found a bunch of beer and cokes floating the river that other people spilt we had a good time that day. And remember going to Boomers in our twenty's every weekend playing pool and and meeting new people. I have many more memory's. I will miss you so much my Brother and I will never forget you.
