

Valerie Anne Zoeller

September 30, 2020

Valerie Zoeller passed from this realm on September 30, 2020, in to the eternal state. She became a believer in the Lord Jesus Christ as a teenager. She realized that faith in his work on the cross was essential to living a life that would bring fulfillment. She was a quiet person and grew in grace and knowledge of her savior for over fifty years.

Valerie raised 2 boys, in whom she passed the baton of faith in Jesus Christ.

Those of us who knew her, saw the cheerful side 99% of the time. She was an invisible hero of faith. Her eternal rewards will be far and above any mark she may have made in her Earthly walk. She shares the victory over death that Jesus Christ provides for any who come to the offer of it.

From her passing comes an invitation to join the royal family of Heaven, where there is no more sorrows and no more tears.

As her husband of 46 years, I was made complete as the scriptures say.

The hope of whoever believes in Jesus Christ (I quote) "will never die" John 11: 25-26.

Let us honor her in her passing by giving God the glory.

Arrangements for a Memorial service to honor her life, are pending.

The condolences of the Addison family and staff go out to her family and friends.

“ I was saddened to see Valerie’s obituary, I’d been praying for a miracle! I guess the miracle is that she is home with her Lord! Valerie and I were college freshman roommates and stayed in touch over the years. She was a great and fun college roommate. I also have some wonderful memories of times we went to her home during school breaks. I was able to see her 3 or 4 times over the years but not recently, unfortunately. I loved her zest for life, her humor and her faithfulness. I will miss her and our Christmas greetings. My sincere condolences to family, what a loss...

“ We were best friends for over 50 years. There are so many wonderful memories! From High School days to my last visit with her. She will be missed terribly! She was one of a kind. During our high school years I spent so much time at the Campbell house that I was a part time member of the family.
