“ *I remember when we would have twirling slumber parties at her house, we would always freeze Sheila Burges' bra and she would always think that was so funny and she would laugh and laugh. No words help you get through this but one day at a time does. Yall*

“ Alice was one of the sweetest and most dedicated Christians we know. She had a servant's heart and prayed fervently. Although she will be greatly missed, we know that she is singing to the top of her lungs with Jesus. We'll never forget her smiling face.

“ *To the Anderson Family with heartfelt sympathy,*

May you find comfort in the word of God and in the knowledge that others sympathize with you in your loss. Since this may be one of the hardest things we will ever have to cope with, the bible offers hope.
