“ *So thankful for all of the memories we made with Alice while working with her on the Childcare team at HAFBC. She would always light up when we would walk into the church & give us the biggest hugs. She treated us like family. Alice & Barbara made sure our family had Christmas presents one year after my divorce. Was one of the best Christmas ever, right down to homemade Christmas cookies. They brought all of the gifts over to the house to put around the Christmas tree. They even made sure I had something. Will forever treasure the memories. I know heaven is rejoicing having Alice home. This is not goodbye but until we see each other again. We love you Alice, DeAnna, Taylor & Tristan Swanson*
