“ *Alta was saddened by her inability to worship in person at her home congregation of Longmire Rd Church of Christ in Conroe but a fixture on our hearts and minds. To know her was to love but she was a legend even in her absence as she was always on prayer lists and spoken of fondly. The 4-7 yr olds class sent tributes and portraits while she recovered from her hip replacement and while they weren't alive when she last attended they were FANS of how many fingers her birthdays would take up!  
The West Houston Church of Christ her baby sister Pennie attended also lovingly commemorated her milestones thru their card encouragement ministry on behalf of their faithful member, but having never met Alta personally-proof that as GOD'S own, we are just one big happy family; sharing a fellowship and sweet communion we may or may not enjoy with DNA family but because of the BLOOD of Christ, similar heirs.*

“ My big sister Alta was dotting and loving. Always calling me her "baby" sister. At 80, I got bold enough to ask *WHEN* am I going to stop being your baby sister? She said I was 16 when you arrived, you will *ALWAYS* be my baby! She rocked me as a child to *Be With me Lord* & I would pucker up & cry. To this day, I can't hear that song without crying.

“ Alta and Pete were dear friends with former Gov. Clements, whom also served as minister of Candlelight Church of Christ in Houston. Alta started a senior citizen traveling group called the roadrunners. The Harris County bus would pick them up from church bldg and take them to various places and return to bldg. later. Once Alta, Jane and I decided we wanted to go to Wimberly, TX for the Lions Club Arts & Craft Fair. We took our walkers to "carry" our purchases. We've laughed years later at ourselves walking down the highway with walkers!

ME

*My condolences to Alta's family. I met Alta in 1981 on my first day at the Texas Department of Public Safety. She had a great sense of humor, loved her cottage cheese for lunch, but most of all a very kind person. She and Pete were just the cutest couple. Penny, my thoughts and prayers are with you and your family.*

*Sincerely,
