“ You were our first nephew and the first boy born in the family since Uncle Josh in 1924. You were very special and so intelligent. We always had so much fun at Granma's house and I used to spend a lot of time with you in Freeport when you were little.

“ To My Darling Brother, Although you put us through our paces most of the time you are still our brother and no matter what we will always love you.
I will always remember you love for music. I remember songs that no one else my age can remember.
Your lov
