“ *Anita was such a positive force in children's lives and a role model to us all. She will be greatly missed. I pray for her family during this difficult time. Her passing was much too soon and makes us question why such good people have to leave this life so early. Her passing is difficult for us to accept. She loved life and shared memories of riding motorcycles with her husband and pride in her daughter. She took such good care of her mother and a shining light has gone from our world. Rest in peace, Anita.* ”
