“ You are my beautiful Mom, you were my best friend. You helped me thru this life, you never stopped loving me. You loved my children and grandchildren. Everyone that met you loved you. When your memories faded and you didn't remember your loved ones, you never forgot me, when you saw me cry you still held my hand and comforted me. My heart is broken and I will miss your beautiful smile and sparkling blue eyes. Mom when it's my time to go please be the one that meets me and holds my hand again. I will love you forever Mom. I pray that you are dancing in heaven with Our Father, RIP my beautiful Mom
