

Anthony "Tony" R. Gullo

June 16, 2024

Anthony "Tony" R. Gullo, age 90 of Magnolia, passed away June 16, 2024. Our dad, Tony Gullo, was a loving husband, father, father-in-law, grandfather and great-grandfather. Family meant the world to him. We treasure the memories of our many adventures spent together traveling the world. The fun and laughter we shared are priceless.

After 71 years together, he left this earth holding the hand of his "Babe", and surrounded by his children and grandchildren. We loved him dearly, and hope to carry on his zest for life and spirit of giving. The impact he made on those who knew him will not soon be forgotten. As he said just before passing, "It's been a good run."

The Addison family and staff extend condolences to Tony's family and friends during this difficult time.

In lieu of flowers, please make donations to:

“ I was honored to know Tony and his wonderful family for over 40 years of my automotive career with the John Eagle Dealerships as well as a fellow board member of many years at the Houston Auto Dealers. Tony was the definition of a true gentleman, a friend to all and I admired him so much. GodSpeed Tony, until we meet again!

“ Mr Gullo shared his automobile museum with me and treated me as though he had known me for years, although it was a first time meeting. The gracious mindset and caring way has been passed down through the Gullo family as Mr Gullo's family all have the same gracious spirit. Thank you Mr Gullo!

We took our kids to his home many times to see his decorations

Plus he invited the Fords of the Fifties to his museum behind his home several times over the years. Plus the integrity of his dealerships is just awesome. His locations are the only place I would recommend to trade or buy a car.

Tony will be missed but his legacy will live on.

We pray that God put his loving arms around his Family as they celebrate his life and legacy. Eva and I have them in our thoughts and prayers.

“ I was introduced to Mr. Gullo at an early age through my father who was a friend to Tony. He admired Tony so much as a person of great integrity and friendship. As years rolled by my dad passed away but with a promise from Mr. Gullo to watch over me as his own. I can not say enough how loyal Tony Sr. was to his promises. He has been like a father and dear friend to myself and my family for decades. I love and admire this fine man and know he is being welcomed in heaven with open arms. God bless you Mr. Gullo Sr. and thank you for the love you so loyally displayed to myself and my family. Say hello to my dad for me please.

“ I only met Tony once last spring when my Daughter in law Tiffany took me to see the Gullo Museum. That was the most amazing place I ever saw. Brought a lot of memories back to the sixties and seventies for me. He was such a nice gentleman. Going through the property at Christmas was fantastic! I think of the thousands of boys and girls that he put a smile on their faces with all those lights. Sorry to the kids for their loss. Your Dad was the BEST gentleman I had ever met. I am sure that God had saved a spot near him to rest. Please Tony, R I P.

“ I am so sadden to hear of the passing of Tony. I met him more than 30 years ago and fell in love with him. One of the nicest men I've ever met. A legend in the car industry but more importantly, the love and gift of servitude he demonstrated every Christmas. Dolly, was also someone we feel for immediately. These two were such humble people that they set an example we should all follow. God speed my friend.

“ To Dolly and All the Special Gullo Family, So sad to hear about the passing of Antone. He was so supportive of everyone and always had a smile. I'll never forget him as a friend and all the good he did for the community with the Christmas lights and decorations, the awesome museum, the special Christmas gifts for needy children and families, the cars for High School Senior Drawings, the donations to Foster Children's Home, the donations to Lubbock Christian University, the many churches in need of financial assistance, and the list goes on and on. Who could forget all the years he welcomed young children as Santa Claus. His life was and will always be an inspiration to all who knew him. Heaven will have a special place for Antone due to his always thinking of and helping others. GONE BUT NOT FORGOTTEN by so many friends. A special friend for many years,

“ It broke my heart to hear about Tony's passing. He was such a vital part of our community, and a good friend to so many. His support of our schools and Depot Day was unequalled. We were so thrilled when he gave my mom, Celeste Graves, her 100th birthday party at his car museum. He had promised to do that if she lived to be 100, but I don't think he realized what he was getting into! Actually, it was something he thoroughly enjoyed. Tony loved his Lord, his family, and his community in that order, and he showed it every day of his life.

The Graves and McGinty families offer our deepest condolences to Dolly and all the family. I'm sure the first words Tony heard when he entered Heaven's gates were "Well done thou good and faithful servant!"

“ Rick and Judy Booth express our sincere sympathy to the Gullo family. We have so many fond memories of traveling with him to the auctions. He was always happy and we had so many jokes about things that happened on previous trips. We would be driving along and get to a certain place and we would all just start laughing because of something that had happened at that place. We were proud to call him our friend. We will miss him as will so many in the community. The Conroe area has lost a truly great man.

“ Our family is very sad that Tony Gullo Sr. passed away this week. We were neighbors and friends of the Gullo family since the late 1950's and remained friends for over 60 years. Tony was a gifted businessman who developed successful enterprises that created many jobs. A generous man who is known for setting a high standard as a hard working leader. I fondly remember they attended my surprise 50th birthday party in Houston. We pass our condolences to Dolly and all the children, grandchildren and great grandchildren. I love you all.

Our family will miss Tony greatly! The best times our family can remember are all the kids camps our kids and us used to go to when they were younger. Tony was such a big part of that and there to serve all of us with his great cooking, golf carts, and his sweet spirit and kindness. He was so good to so many people. Mr. Gullo was a fine christian gentleman. He had a smile that could light up a room and it was always on display. While he did not know us by name, we were blessed to be with him multiple times, primarily enjoying his amazing car collection. He so loved those cars and was a walking encyclopedia concerning them. Our retirement group in our neighborhood (Canyon Gate Keenagers) waas allowed to visit his museum on a Saturday. He made a special concession for us as he did not usually open the museum on Saturday. Mr. and Mrs. Gullo's christmas light display has been enjoyed by countless folks for many years. What a wonderful life he lived! Jesus was in his heart and Mr. Tony always displayed Him. He made the world a much better place and all who knew him were blessed. Monte & Debbie Campbell

The Gullo's were plain and simply family. I grew up with the twins, was one of the few that Red didn't go after, and have many memories with Mr & Mrs Gullo, Linda Penny Tony Corky and Sparky. “ Ohhh the memories that will be leaving this earth with this kind , loving , smart and gifted man. A heart of gold, Christmas in Magnolia will never be the same but the memories he left with so many of us , our children and grandchildren will live forever because he shared his world with us whole heartedly. They say pictures are worth a thousand words and it's true because there are not enough words to truly say what he has meant to so many. Sending hugs and prayers to his loving family and know that every picture we see of his gift to everyone at Christmas and beyond especially with him in them with that golden smile of his. So very sorry but I know he will be lighting up Heaven with his Christmas heart! I met Tony at car shows where we both were displaying cars. Later as chairman for the Texas War Memorial I contacted him and warned him I was calling in regard to the charity. His response was as to be expected. He immediately invited me to visit him. After he made a very generous donation, he started making suggestions on how we could raise additional funding. When I told him that would exceed the funds needed to build the monument, he promptly responded well we will build homes for the wounded service members. His love and generosity had no limits.

*He invited our car club to visit his car collection on Sunday but not to arrive before 1:00 because he would not be back from church until then. In the bible it says that it is easier to pass a camel through the eye of a needle than for a rich man to enter heaven. Well Tony passed that camel through the eye daily. Tony made the world a better place we should all strive to emulate him. I've lost one of my heroes!
