“ Growing up Bea was one of my favorite cousins even though there was a 10 year difference in our ages. I always loved when she would come to visit and stay with my family. She loved her husband and children and I always enjoyed the phone conversations we had over the years that bypassed the miles between us. So many shared laughs and tears over the phone concerning weddings, graduations, birthdays, family squabbles, and sadly funerals. My thoughts and prayers are with her children, grandchildren, and all her family and friends.
