“ *We will always remember Mr. Ben for his love and support to everyone he called family, friend and kin. He was a well of wisdom and one of the smartest men I have ever known. It seems there was rarely a topic he could not discuss or help with and if he couldn't he would research the facts faster than anyone around. He was also extremely generous and always willing to help. He welcomed us like part of his family when we moved to Texas and we will always remember and love him. It hurts today but I know we will see him again through the Salvation of Christ. Rest In Peace Ben, no more pain and no more suffering. We love you. Matt, Mel, Alex & Bailey.*
