“ *Bettye Ann Morgan was a generous woman. She provided many kids summer Christian Camp fees, provided her grandchildren with college funds, supported Ireland Outreach which provides needs for missions & missionary's by providing a building for them to take “breaks”. It isn't finished yet but is a true legacy passed down from her Father who was an Irish Evangelist. She will have many stars in her crown. Her Savior is pleased I'm sure. By Lynn Hammond her favorite Niece. Hahaha she would say. I truly loved her with her Bible in hand, watching Christian movies with Duke & I. Even bringing her groceries, or cooking Sunday dinners or going with her to cancer treatments Bettye made life fun.*

“ *Morgan Kids,*

I am at profound loss of words upon hearing this sad sad news. Your mom loved us 3 little Cajun kids with open arms and whole heart! She was a wonderful "grown-up" to us, as those counterparts were left in Louisiana. She was adventurous and I'll continue to treasure the days spent at the beach, forever. Her laugh, contagious.

I'm so sorry for your loss and pray for your comfort. It's been so many years, but love remains.

Love, Betsy Reimer Craft
