“ We sincerely want to express our sympathy to Beverly's family. I have wonderful memories of our fun with family in Woodward and Broken Bow. She will always be my sister in law, no matter the circumstances. Always the life of the party and I loved our conversations. It meant so much to me when she came to visit my daughter, Kelly Rapp, before her passing. Beverly had a heart of gold and a love of life. I can understand how much Kenneth and her family will miss her. Blessings to you all, wish I could be there to honor her memory.

“ *There are no words to describe the pain I feel with losing my best friend of almost 57 years. You were the "wind beneath my wings" and I am lost knowing you are no longer here to share our joy, excitement, pain and grief. We will meet someday soon and finish our escapades as we always have through the years no matter where we were. John and I send our utmost sympathy to you, Kenneth, Brett, Tiffany, Jason, Jessie, Darren and Kim. And, to her most precious grandchildren, Cameron, Tiffany, Brooke, Presley, Ty and Izzy. She loved you more than life. May all of you find peace in the coming days and know she will always be your guardian angel.*
