“ *Many of my childhood memories involve Billy, my sister Jenny, and myself. The 3 of us were all born in three years--- I was the oldest, then Billy, and then Jenny. We spent so much time being together and I treasure those memories. One of our fun times was spending the night at Ma Murphy's and all the kids slept on pallets on the floor. I am so grateful that I know I will be spending eternity with Billy and all our loved ones. What a reunion that will be. Thank you Jesus. Ruth Allen*
