

Bobby Ware Sr

November 7, 2025

Bobby Ware was born in Shawnee, Oklahoma, in 1940 and grew up in Midland, Texas, with his sister Barbara and twin sister Robby. He was an athlete at heart and loved track, gymnastics, football, and martial arts. After high school, Bobby attended Texas Tech for one year and then proudly served his country in the U.S. Army's medical ward and did a four year tour in Korea. When he returned home, his passion for mechanics led him to Houston, Texas, where he began his career with M & J Valve Company and after working many years then went to work at Cook Manley where he worked for many more years and made lifelong friends.

Bobby and Reva married in 1972 and made their home in Rosehill, Texas, where they raised four wonderful children, Tina, Bobby Jr., Laura, and Kelsey. Bobby was a devoted husband and father who worked hard to provide for his family. On weekends, he could be found building and fixing things around the farm, tending to animals, or spending time outdoors boating, fishing, or barbecuing.

After retiring in 2014, Bobby enjoyed relaxing and spending time with his family on the farm, especially with his three grandsons, Kolby, Angus, and William, who brought him so much joy. Bob had a quick wit, a big heart, and a way of making everyone laugh. He loved the outdoors, a good dessert (pecan pie), and most of all, his family. He passed away peacefully in his sleep on

November 7, 2025, leaving behind a legacy of love, laughter, and hard work. He was a beloved husband, father, grandfather, and friend who will be deeply missed.

In lieu of flowers, the family requests a donation be made to the Cure Alzheimer's Fund, <https://curealz.org>.

“ Mr. Ware I have so many childhood memories with you in them ❤️ Your laughter, smile, and kindness always made me happy, and I'll carry that with me forever. You always welcomed us with open arms and made our days brighter. I hope you have seen momma and dad up there and y'all have a game of dominoes or cards already going. We will miss you dearly.
