“ *I am deeply sorry for the family's loss. Brandi will be greatly missed. I have a lot of fun childhood memories with her. I was glad to reconnect as adults when I moved to TX. She has been one of the most inspiring people that I've know in my life. She embraced life and whatever it threw at her. She loved her family and fur babies. She was the type of friend that took time listen and gave good advice. I know she will be an angle watching over all that knew her.*  
*My Deepest sympathy ,*
