

Brenda Wardle

March 21, 2023

Brenda Joyce Leger Wardle, 74, of Conroe, Texas, ended her journey in life on 21 March 2023.

She was born to parents Roland Leger Sr. and Henrietta Harmon Leger, on 13 February 1949 in Orange, Texas.

As a vibrant young lady, she graduated from Lutcher Stark High in 1966 with a passion for music and choir. After Marrying Noland Broussard Sr, they traveled extensively with Noland in the Air Force. They lived in Italy, Philippines, North Dakota and more. They had two wonderful children, Mishelle, born in Orange, Texas in 1966 and Noland Jr., born in San Antonio in 1968. She proudly cared for their children while Noland was working and advancing in the Air Force.

She went on to the University of Houston and graduated with a Bachelor's in Paralegal Studies, and making the Dean's List for her hard work and successful studies. From there, she began her long career at Harris County Attorney's Office in 1994. She went on to marry her loving husband, John Wardle in 2003, where they lived in Roman Forest, Tx for many years until the passing of John in 2012. Brenda felt it was time to retire in 2014.

Brenda loved playing the piano, reading, traveling, and vacationing. However, her greatest passions were her beloved children and the beautiful

grandchildren they gave her. Brenda was always hosting large family gatherings whether it was holidays or just to see the family. She was involved with her grandchildren's activities and always ready to travel for Andrew's basketball tournaments with her daughter Mishelle.

Those who knew Brenda knew how vibrant and feisty she was and was always laughing. She had so many close friends and they would get together for fun and laughter. She was up for anything new or any celebration. Her heart was big and she was devastated when her son, Noland Jr, passed away at a young age. Again, her passion for her children was great and she forged through the tragedy with the family.

Brenda is survived by her sister Jeanette Bordelon; brothers Roland Leger and wife Darlene, Earnest Leger and wife Priscilla, Bruce Abrego and wife Tina; daughter, Mishelle Rich and husband Brian Rich; grandchildren Bradley Larkin, Andrew Carr, Tyler Broussard and wife Samantha, Kacie Broussard, Ava Broussard, Cory Rich, Lauren Rich; great grandchildren Andie Rae Carr, Madelyn Gauer, Asher Rich and Lynnox Rich

She preceded in passing by her husband, John Wardle; mother Henrietta Harmon Abrego and husband Bernard Abrego; brother Brent Abrego; son Noland Broussard Jr; grandson Matthew Rich

“ What can I say about this beautiful woman and soul? Always there with a laugh that was so contagious. And that dynamic smile...how could you not smile back? Many times we were out together and asked "are you really mother and daughter? Or sisters?"
Soooo....did she look young or did I look old? Lol! Always there for family and friends. If you knew her you loved her. You will always be in my heart and memories. The best friend I ever had. I love you mom.

“ *Brenda and I shared wonderful high school memories. We had so much fun with sleep overs at her house and mine. She was always sweet, kind & full of joy. I know she is in the arms of Jesus and singing with the angels now. Praying for God's peace and comfort for her family.*

“ *Brenda and I were married for 17 years, and we had two wonderful children. Joyce Mishelle and Noland Jr.*

Her and I shared many memories in various parts of the world. In fact we lived in the Philippines and Italy and Texas, N. Dakota, Up state New York and Louisiana. The two MOST memorable moments where when our children were born. One of the most memorable for the family was our trip to Washington D.C/ in 1976...Mishelle had the chicken pox on the way up there and Noland Jr. on the way back.

Brenda was a loving and caring mother, a warm and generous wife and a person that everyone loved to be around.

Brenda and I met in New Orleans in 1974 and from then on we were dear friends. Anytime we could get together, it was like no time had past at all for our friendship. We were in our 20's and had young kids. Brenda saw our Texas license plates and came and knocked on our door, that was the beginning of a long friendship. I will see you again one day. I love you Brenda, thanks for being part of my life. Connie Crager
