“ *Carl was the most consistently pleasant person I have known. He helped everyone he could any way he could. I will think of him every time I see a train go by or interesting train history....he loved them. You are a great family with a lot of great memories. God bless and strengthen you.*

Glen, you meant a great deal to Dad also. Thank you for your comments.

Glen, you kept Carl supplied with unusual railroad items over the years, which delighted him. He had fond memories of the people from earlier work days and you were high on that list. Thank you for your kind comments.
