

Carolyn Ware

January 23, 2023

Carolyn Louise Ware, was born to Oscar and Lucille Krueger, in San Antonio, Texas.

Carolyn passed away at the age of 75 years, on January 23rd, 2023 in Tomball, Texas, surrounded by her husband, her soulmate of 58 years, who was at her bedside the entire remaining time of her life, their children, grandchild, and her Pastor as she went to go be beside our Lord and Savior, Jesus Christ in Heaven.

Carolyn, a sibling to 3 brothers and 6 sisters, was known to all, to be giving, whether it be a smile, a home cooked meal, to a home to stay in if you were in need. She would always take care of others before taking care of herself. That was the testament to the kind of loving person she was, and still is in heaven. She would slave over a stove to make sure anyone and everyone was fed and make each person a special treat of their own, from holidays to birthdays. She loved her family with all of her heart and to its fullest and all she ever wanted was loved back.

Carolyn is survived by her husband James Ware, Sr.; Son James Ware, Jr. and wife, Teri; Son Tommy Ware and wife, Tracy; Daughter Cynthia Rudel; Son Randy Ware and fiancé, Rachel Rudel; and Daughter Mandy Woods.

Her 9 Grandchildren:

Christopher Rudel
Ashley Rudel
Steven Ware
Keaton Woods
Jamie Jo Watson
Miranda Woods

Morissa Woods
Brendan Ware
And her 7 Great-Grandchildren

“ Jesse and I worshipped with James and Carolyn for many years at the Spring Creek Church of Christ. We often sat with them during church functions. But it was on game night playing Mexican Train that we got to know Carolyn. She was usually the winner or no more than second or third. Her mind was sharp and she loved playing the game. But it was working with her in the church pantry that I saw her servant heart. She was faithful in her attendance and willing to stay late if there were still people to serve. She greeted you with a smile even when she was dealing with family issues. Every family has a person who is the “glue” that holds the family together. As we visited more, I realized that she was the “glue” for this family. She never gave up on any of them when they were struggling. If they needed a place to stay or a meal; she would provide it. She “looked like Jesus” with her unconditional love. We are glad she has made it home and is no longer suffering. Rest In Peace dear friend and know the good you shared with many.

“ My momma was the most loving and caring woman, and oh was she ever strong! She fought so hard in every aspect of her life. She took care of everyone that she could. She always made sure to volunteer every week at her church pantry. If ever anyone came over to visit, she made sure they were fed. Man, was she a great cook! Wish she would have given me her pineapple upside down cake recipe! She never stopped working in her garden, home, and even my house. If there was a dirty dish in the sink, she'd be washing it. I will miss her always and always. Love you Momma. Rest easy with Jesus! -love, your baby girl.
