“ Like so many, I never had the pleasure to meet beautiful baby Cash. However, I feel so close to him because he has made his way into my wounded heart ❤️🕊️. I think about him and mourn everyday as if he was one of my own. Cash has touched people from all over the world, and has personally inspired me to be a better father and person all around. This case has crushed me like no other, and has left me sad, angry, and rattled. For awhile I thought I was the only stranger feeling these ways and that something was wrong with me personally, but it is heartwarming to see that others share the same feelings and emptiness that I do. Cash, you are loved by many and will never be forgotten. You are a superhero in my book, and I will always honor you for the rest of my days and beyond. You were taken too soon, but I know you are in a better place that is safe, and I look forward to the day we can meet. Rest easy little man, watch over your brother Carter, and know that we all have the deepest love in our hearts for you! ❤️👉👈👶

“ Cash,  
I didn't know you, but I love you. Losing you is a tragedy to everyone. May you rest peacefully in the arms of our Lord. My heart weeps for your family, but especially for Carter. I feel the loss of you all the way from Texas to Michigan. You didn't deserve this. I cry for you, for your family. I don't know how else to cope with this. I follow your case. Checking up on it several times a day. I just can't make sense of it. I hope and pray that justice will be served to the fullest extent of the law.

You were a good boy. You didn't deserve this.

Sleep peacefully child and know that you are being fought for, you are loved, and you are terribly missed. Your memory will live on forever.

“ Having this happen up the road from Mountain Creek where my family and many families with young children had opened many eyes. No child should be taken so shortly, no child should be at the hands of evil. Cash we are praying for the repose of your sweet little soul. May you Rest In Peace and be with God our father almighty. While you may be gone, your memory will be remembered. The Mountain Creek community will be somber but strong as we support one another. ❤️
