“ Our hearts are so broken as cousins growing up Charlie, Theresa ,Kathie and I spent almost every weekend together we did everything together when Sunday would come we were making plans for the next weekend! As we grew up got married had our own families we never lost track of what was important it was family . Charlie definitely is the bright light in us all she loved and loved hard! To know her you are blessed she will always be our bright light in the dark days. Her smile her laughter her dance moves will certainly be missed for sure! I pray in the hard days to come her precious family can find ways to comfort each other because she would want you to live big love big and dance ! We all love you so much know we are always here! “ When we were kids, all the neighborhood kids played baseball, basketball, dodgeball, hide-n-seek, army, ‘dogpile’, we climbed every tree in site, played cards and colored. Charlene was the youngest of all the girls and guys. But kept up with the big kids and she played football like a superstar! All my memories of Charlene are of her always being so happy and cheerful!
My most deepest sympathy is sent with love and prayers to all of her family.
Sincerely, Marla Cook

“ *Charlene was an amazing person. Always had her camera in hand & so thankful for that. She captured so many memories. She was always smiling, gave great hugs and always put others 1st. One memory when Kinsley was born Charlene and I kept sneaking back to the door ears pressed hard listening because we were ran off by the nurses. We were listening facing each other smiling and crying getting away with it.*

Until haha, David - Sean's dad caught us a and said loud "what are y'all doing" which altered the staff. 😡 so we were shoowed away, of course we made it back hahaha 😊 and we heard Kinsley's 1st cry together and balling like babies.

Sean's mom (me) and grandma will be planting trees in a protected national forest in her memory. RIP and know how much you were loved and the void will be HUGE within the family and friends. I would like to say she was the best most amazing Nana and for that TY.

Fly hi and be pain free ❤️

So very true. We would always know that the best photos were taken by Charlene. I remember her as always smiling with a camera in her hand, or up to her eye, focusing in, and so happy while clicking away. She was so sweet and giving. We will remember her as happy, and smiling, because she had her family surrounding her with love. Yes, we can truly say she was loved and will always be remembered.

When we were kids (before computers, Facebook, cell phones and even tv remote controls with wire cords) we would all play outside on hot summer days. Baseball, dodgeball, basketball, army, jump rope, climb every tree within site, play cards, jacks, hopscotch and color. Charlene was the youngest of all of the girls and guys, but she kept up with the big kids and played football like a superstar! I can honestly say that I remember her as happy and cheerful in all things, but mostly really a lot of fun to be with.

With my deepest sympathy, I send my love and prayers to all her family.

“ *Our condolences to all the family and friends that loved her. Though I hadn't seen Charlie in years I thought of her often. Always happy, smiling and ready to have a good time with family, friends and, from my days, team-mates. She was indeed a very special lady.*

“ Our Charlene was one of a kind and loved by so many including me and my children. Along with her sister and mom and dad they kept my kids often. They helped me so much when my husband died. We made some great memories together. She loved with all her heart and will be missed terribly.

“ Mrs. Charlene was the sweetest woman I've ever met. She could walk into a room and light it up, and her smile was so contagious. She is loved, and she will be missed.
