“ You will be missed by your work crew very much. You always had a special way of motivating us with just a few words in chat, my heart breaks to have to write this. My deepest and heartfelt condolences to your family. You will be so missed by all of us.

“ This is weird to write this on your wall, my heart is broken. I'm sending love, prayers, and strength to your family during this difficult time. You were a bright light and such a joy to be around. At every meeting and virtual party, you were present and participated. I'll miss you and think of you every time we play scribble. With Love - Dri
