Chuck was a wonderful husband, amazing Dad, exceptional Pawpaw and awesome brother, wonderful friend, and cousin. Chuck was the rock of the family, the protector who had the biggest kindest heart, and just an all-around big ole teddy bear. He also told you exactly how he felt you never had to question where you stood with him. He loved spending time with his wife, family and friends. His favorite time was taking his grandkids hunting and fishing. He loved sitting in the deer stand with his grandbabies and teaching the natures of life. He was the life of the party. He was a constant entertainer.

He loved sitting around a campfire telling funny stories, even if he told them 100 times. He made us all laugh including himself. He knew how to make memories that his family can cherish a lifetime in their hearts. Chuck, Dad, PawPaw, Brother, Cousin and friend you will be missed by all of us. He left us a legacy we can be proud of.

The Addison family and staff of Magnolia Funeral Home extend condolences to the Kluna family during this difficult time.

“ My younger brother Chuck was the greatest gift God could give me for he was my very first best friend in life the joy and laughter and adventures we shared all through our childhood and even as adults will all be with me. Nobody will ever truly understand the bond we had with each other it was unbreakable no matter what life threw us I don't know who I will turn to now that your gone who will give me advice and accept me for who I am you were the greatest and the hole in my heart is so devastating..my life will never be the same not having you to lean on it share silly phone calls ...I just love you so much but I'm so grateful that your home with Mom and Dad and Mark and no longer suffering until we see each other again ...all my love Lil Bro Your big sister Kathi

“ I met the sweet Kluna family when their adorable daughter Kaitlin was in school at Smith Elementary. They were so nice since day one when I met all of them. They were always so nice to me and always had a smile on their face. Chuck was always a jokester, he loved picking on Kaitlin and making her smile or laugh. Chuck, May you Rest In Peace. You will dearly be missed by alot of people. We hold your memories in our hearts and will always treasure our time we had here on Earth with you. May you Rest In Peace my dear sweet friend.
