“ *My sincere condolences to the family. I had the pleasure of getting to know and working with Chuck on many occasions. No matter the day or situation he would always broadcast that infectious smile and would offer to help or lend a hand. Chuck you will*

“ I was sad to hear of Chuck's death. Jess and Chuck had so much fun together at work and playing golf after they retired. I know how you feel since I lost Jess 23 months ago to cancer. I will keep you and your family in my prayers.
