

Christopher Gilbert

December 30, 2024

It is with profound sadness and a heavy heart, that we announce the unexpected passing of our beloved Christopher Gregory Gilbert, who passed on December 30, 2024, at the age of 51. Chris was a cherished husband, father, son, brother, and friend, and his loss leaves an unfillable void in the lives of all who knew him.

Born in January, 1973, Chris was a person who was known for his ingenuity, intelligence, quick wit and sense of humor. There was not much Chris did not know how to do, create, repair, build or problem solve.

Chris married Heather Marie Gilbert, and together they raised two beautiful daughters, Harper Rossie Lee Gilbert and Alexandra Christine Gilbert. He loved his family, and his daughters were his pride and joy.

Chris is survived by his wife, daughters; Father, Greg Gilbert; Mother, Connie Benis; sister, Trina Benis and many close friends who will miss him dearly.

Rest in peace, Chris. You are missed more than words can express, and your memory will forever be carried in our hearts.

The Addison family and staff of Magnolia Funeral Home extend condolences to Christopher's family and friends during this difficult time.

No services are scheduled through the funeral home.

“ *I will forever remember the way Chris shared his love for all things outdoors and country life with my city kids. He made sure the boys knew not to take advantage of the girls the night of my daughter's prom. He duct taped my boys to the door in fun when they were being "boys". I remember the patience he displayed in allowing his girls to learn whatever he was teaching them. Too many fond memories to list them all. Chris you will forever hold a special place in our family. You will be missed beyond measure.*

“ Chris was like an older brother to me, he taught me how to play chess, taught me to skateboard, got me into 80's rock and roll like Metallica. To me as a boy Chris was the coolest, I wanted to be like him when I was young. I remember when he duct taped my brother and I to the wall when we were young and took my siblings and I mudding in a retention pond one Christmas years ago. I thought of him as being a wild and rebelious guy. I have a lot of great memories of him from when I was younger. You'll be missed Chris.
