Such a good picture! A wonderful and sweet person inside and out. I think about her and John a lot and some of my favorite memories were when we were able to be together at the lake. John was a really funny guy - he made us all laugh! Claudia would give him the "look" like "what did you just say?" They were special to all of us. Although we didn't see or talk real often she has an important place in my heart with John.
