

Colton Love

March 12, 2023

Colton Shane Love was born in Lubbock, TX to Chip and Debbie Love. He grew up in Spring, TX with his older sister, Dannie, where he loved to play soccer and football. Colton was passionate about deer hunting with his family at Mema and Papa's ranch in Star, TX . He loved skiing and all the family winter games held during Christmases in Angel Fire, NM. Colton would spend his days at Nini's and Papa Ralphs hunting snakes and spiders with their BB gun in Cuero, TX.

He graduated from Klein High School in 2008 and moved on to make his dream come true by graduating from Texas A&M, Class of 2012 and becoming a fighting Texas Aggie like his Papa. After graduation, Colton accepted a position in Green River WY as a dispatcher for an oil services company. He immediately bought a Polaris Razor and spent most all his downtime exploring the mountains and rivers of southern Wyoming. This is where he rescued one of his best friends in his life, a golden retriever named Buddy.

Family was everything to Colton and he soon made his way back home bringing Buddy with him. He spent the last few years enjoying being with his family and friends, sitting for hours talking to his Grandan and enjoying special times with his nieces, Summer and Ambree. One of his proudest roles in life was as "Uncle Coco".

Colton was strong in his Faith and an avid student of the Word, and we know he is right with God. We are looking forward to seeing him again in Heaven.

He was preceded in death by his Nini, Janie Kueker and his Papa Ralph Kueker as well as his cousin, Kyle Love. He is survived by his grandparents, Richard Love (Papa), Marvel Love (Mema) and Dan McCarty (Grandan). His parents, Chip and Debbie Love. His sister, Dannie Love Gibeau and her husband Eric Gibeau and their two daughters, Summer and Ambree. His uncle Dan McCarty and his wife Leanne and their family. His uncle Dale Love and his wife Lisa and their family. His uncle Rick Love and his wife Kayleen and their family.

The Addison family and staff of Magnolia Funeral Home extend condolences to Colton's family and friends during this difficult time.

“ My Colton. You were the best first boyfriend a girl could ask for! I still remember the day your mom brought me the best Valentine’s Day gift from you. I remember standing next to you at your soccer game for a photo and secretly laughing because I was taller than you. I remember how you were the only boy who came to one of my birthday parties and you spent most of your time shooting skeet with my mom. She adored you! I remember getting our poodle Max from you. You remained such a special friend to me and I was so glad you got to join me at my NCL senior presentation. I wish I could’ve been able to catch up with you. Thank you for all of the FUN memories. Mamma Debbie and daddy Chip, you raised such a wonderful son. I know you both will be over the moon to see him again. Prayers for happy memories to shine down on you as you endure these tough times. I love you all very much. ❤️

“ Colton

My nephew, Colton, was just a boy from the country who tolerated dealing with the modern ways of life. Early on in his younger years, instead of going to popular places, he would rather get his truck stuck in the mud, hang with people he cared about ; pitching washers or tossing bags.

He was most content spending time with his family, extended family, and friends, but when he couldn't, he would find ways to enjoy Gods grace in nature. - roaming the mountains, and the forests with his best friend, Buddy.

Along with being a great hunting companion, when he could, Colton loved working on the Ranch at Star, where he OWNED the ping-pong table!

Nephew: you're companionship will be greatly missed, I will think of you as I continue all of the things you had such a compassion for and we will always be 'two boys from the country', or as John Denver would say :

"Joy is just the thing he was raised on; Love is just a way to live and die."

*Love Forever,
Uncle Rick*

“ I think we became neighbors when Colton was 3. He was the sweetest little boy. In middle school I loved his sense of humor, he was fun to be around.

We are so sorry for your loss. He will be missed. We are keeping your family in our prayers.

“ We were so saddened to hear about Colton. We just wanted you to know we’re thinking about you in this difficult time. We can’t even imagine the depth of your grief. We will always remember him as that sweet blond boy running around the soccer field without a care in the world. Take care of each other.
