“ *Dad I miss you sooo much. At times I think and I can hear your voice when I think about all the memories I have of you and how you taught me how to take care of my wife and kids and be the man I am today. I love and miss you!!!!*

“ *There are NO words that can express our feelings to the family at this great loss. Cosme (not the name we knew) was such a generous, loyal loving husband, father, grand-father, friend, worker, coach. He was loved by all that knew him, never a complainer*
