

Craig Enoch

February 2, 2024

The world lost a gem with the sudden passing of Craig Enoch on 2/2/24. Born in Lafayette, Indiana, he graduated from Indiana University in 1982. He was confined to a wheelchair his whole life, but that never slowed him down or stopped him from living life to its fullest. In his younger years he was an avid skier and never missed out on the opportunity to have an adventure. He made friends wherever he went and never knew a stranger. He devoted his life to helping others through his work with the Social Security Administration and his dedication to Medina Creative Housing, an organization devoted to creating a comprehensive lifestyle for individuals with disabilities. He never used his disability as an excuse, serving as a wonderful example not only to the disabled community but also to every able-bodied person he met. It was impossible for those who knew him not to be touched by his strength and positive attitude.

It was at the Social Security Administration that he met the love of his life, Marianne. They were married in New Orleans, a city that captured Craig's heart long ago and that perfectly encapsulated Craig's fun-loving personality. The two of them went on many adventures in their 21 years of marriage, including travelling all over the country visiting with friends along the way. In his later years, Craig enjoyed sitting on their back patio (affectionately known as "The Thirsty Parrot") enjoying a cigar, a drink, and the company of Marianne, their beloved dog Django, and their friends in Tomball.

Craig was an avid sports fan and especially loved watching basketball. While Craig and Marianne would relocate to Texas to be closer to family, he never lost his passion and allegiance for the Cleveland Browns. Most Sundays during football season, Craig could be found sporting one of his many Browns t-shirts and hanging with friends at Browns Backers watch parties (yes, he even found them in Tomball, TX!).

Craig is preceded in death by his parents Donald E. Enoch and Wanita M. Enoch (Smith), his brother Bradley Enoch, and aunt Junetta Crews. He is survived by his wife Marianne, aunt Alberta Marsh (Thomas, deceased), brother Greg Enoch (Vicki), cousins Brian, Daniel, and Karen Marsh, niece Trisha Skillman (Brian), nephew Joel Enoch (Becky), step children Jen Powis (Lynda Case) and Tom Powis III (Maggie) and grandchildren Dylan and Aiden Powis-Case and Ava and Harper Powis. He also leaves behind great nieces and nephews and friends all over the country and the world.

Craig's life will be honored in two different memorial services. The Texas memorial service will be held on 2/29/24 at 3 pm at Magnolia Funeral Home (811 South Magnolia Blvd, Magnolia, TX 77355). His Ohio memorial will be held on May 18th at 3 pm at Medina Creative Therapy Ranch (5200 Lake Rd, Medina, OH 44256). Please join us as we pay tribute to a wonderful man who will never be forgotten.

In lieu of flowers, please consider donating to Medina Creative Housing (medinacreativehousing.com). Please make a note when you donate that the donation should go to the Craig Enoch Scholarship Fund.

The Addison family and staff of Magnolia Funeral Home extend condolences to the Enoch family during this difficult time.

Lots of great pictures. I'll remember our crazy days in Baltimore and DC. Also our meet up in San Antonio. You didn't let any grass grow beneath your wheels. Love to all. Jan Hodgson

“ *Craig and I had many adventures but the one that will always and forever melt my heart is the time we decided to go swim at the YMCA. We were in the kid pool and Craig could actually walk across the pool on his feet! We were on a happy high after that for days. I love you buddy!*

“ I worked with Craig in the Springfield IL SSA office. My favorite memory was on April fools day when he was away from his desk I put a message asking him to call Mr. Lyon and his phone number. We listened while he called and asked for Mr. Lyon. The number I gave him was the zoo. He asked for Mr. Lyon and then yelled my name and said he was going to kill me. We laughed so hard including Craig. That is my favorite memory ever.

I was laughing so hard while reading it to John. Craig loved a good joke.

“ I had the pleasure of working with Craig in the Springfield IL Social Security office. It was never a dull moment with Craig around and wouldn't have wanted it any other way. I will never forget him. He was an all around wonderful guy.

“ *I had worked with both Craig and Marianne for a number of years at Social Security. Both were easy to work with and great people. I was so happy they found each other and married. Thinking of you and wishing you comfort in your time of sorrow. Kay*
