“ "You're My Best Friend" by Queen

This song was playing on the radio when I left work on Tuesday, January 29th 2008 and the lyrics pretty much say it all about my friendship with Craig. Always missed and never forgotten.

“ My dearest Craig,

If I could, I would tell you how much I love you. And what a delightful young man you grew to be. I have so many memories, but the one that I remember most was the times you glided around your house flying the "Starship Enterprise".

“Sue, I am so sorry about Craig. I remember how he and his dad used to stop and talk to me when I was out working in the yard. He was a really nice young man. Please know that you will be in my thoughts and prayers.

Love you,
