

## Curtis Cornett

June 1, 2024

Curtis Laroy Cornett, 60, of Magnolia Texas was called home by his Lord and Savior on June 1, 2024 after a lengthy illness.

Although Curtis is gone he is not forgotten and will be in our hearts always.

Curtis was a loving Son, Father, Grandfather, Brother, and Uncle.

Curtis worked in the Houston area as an Electrician for most of his adult life.

Curtis' loves were his family, the outdoors and knives. Some of his best times and fondest memories were with family and friends hunting on the family ranch in Kerrville Texas. In the spring he would start his garden. He took great pride in his garden and enjoyed teaching his daughter and grandson. He was also very proud of the abundant crop he was able to share with family and neighbor friends. Anyone who knew Curtis also knew about his knife collection and hobby of making knives... that was his passion. He never met a stranger and made sure he showed everyone each and every knife and told the story behind it.

He is survived by his parents Arnett Laroy Cornett and Beverly Ann Cornett of Hot Springs Village, Arkansas; Daughter Lindsey Lanelle Cornett of Magnolia and Fiancé David Clark; Brother Ronald Brian Cornett of Vincennes, Indiana; Sister Debbie Linn Clayton and husband Bryan of Amarillo, Texas; Niece Shannon Nacole Welch and Husband Matthew Dylan of Vincennes, Indiana, Justin Lee Kinslow and wife Elizabeth of Bixby, Oklahoma; Grandson Eli Michael Cornett, of Magnolia, Texas. Nephew Harrison James Clayton of Rockport, Indiana. Numerous uncles, aunts, great nieces and nephews also

survive Curtis.

The Addison family and staff of Magnolia Funeral Home extend condolences to the Cornett family during this difficult time.

“ Curtis was a kind man with a loving heart. He loved his family and friends and cared deeply about them. His health prevented him from doing all he wanted but you could always count on him to have your back. He was always smiling and had a wonderful sense of humor. He enjoyed joking and kidding with me, usually about me being the less accomplished hunter. I will miss you Curtis.

“ *My dad has always been a people person. He could literally have a full blown conversation with a random stranger.. he would make them laugh or smile and who knew if that person needed it that day. Words can't even describe how much I miss him and his stubborn attitude. I miss every little thing about him.. he would make this little kid face when he tried new drinks, or foods that he liked..*
