

Dale Hurd

April 16, 2021

Dale Richard Hurd, 68, born in Houston, TX, passed away peacefully on April 16, 2021.

Dale will be remembered as a wonderful husband, amazing father, brother, grandfather and friend to so many. He was a faithful servant to the Lord all his life and is finally able to be with his heavenly father.

Dale is survived by his loving wife of 38 years, Kathleen; two daughters, Cathie Jo Forrest and Michelene Brown (husband Doug); five grandchildren, Bobby Forrest (wife Cristina), Chelsey Forrest, Kyle Forrest, Hannah Brown and Hayden Brown; two greatgrandchildren, Ayden and Ethan Forrest; Brother Glenn and sister-in-law Rosemary Hurd; numerous nieces, nephews, friends and his four legged son Wilson.

Dale was preceded in death by his parents Glenn Ivy and Evelyn Hurd and brother Ronald Hurd.

Dale retired after 35 years of service with the City of Houston as a police officer. Prior to becoming a police officer, he was a Houston firefighter. Most recently, Dale worked for Magnolia Funeral Home beside his wife, Kathleen. Dale served his community over the years through several Churches of Christ by visiting and singing on Sunday mornings to residents of various nursing homes. Dale was most recently a member of Spring Creek Church of Christ. There he enjoyed helping with Lydia's Food Pantry and helped with ground maintenance.

Dale's hobbies were traveling to see many Southern gospel singing groups,

fishing, hunting, RV traveling, many cruises, playing Mexican train, attending his grandchildren's after school activities and enjoying a picnic for 2 beside the lake.

“Our Dear Husband, Father, Brother, Grandfather, Pepaw and friend; we will miss you so very much. Even though you were taken away too soon, and many tears have been shed, God has a better plan for you. Knowing this will bring us great comfort in the days ahead. Thank you for the memories. We love you and we will ALL be together again one day.”

In lieu of flowers, donations can be made to Lydia's Food Pantry through Spring Creek Church of Christ.

The Addison family and staff of Magnolia and Addison Funeral Homes, send our sincere condolences to the family and friends of Dale.

“ Dale was a good friend. He greeted me into the family not with suspicion or distance but with a still, calm, quiet observance. I was fortunate to get to know his parents, and to go fishing in the Gulf with him. Any time I got to spend with Dale was welcome. He was easy to be around, and provided the larger family with a steady influence that made life's difficult passages seem less problematic.

We can't ask why someone's life is cut short, but I can attest to the fact that Dale deserved more than he got because he knew how to enjoy what he had and how to make life better for those around him. To say he will be missed is an understatement. Everyone who knew Dale was better for having him in their life, and we all will honor his memory by respecting the traditions he nurtured in his family and friends.

“ Dear Kathy and family,
It was my pleasure to work with Dale at ExxonMobil and I will always remember how kind and courteous he was.
Dale would often stop by my desk to see how I was doing and to see if I need help with the schedule or even if needed copies made. He never seem to have a bad day...he was always so pleasant to work with and very thoughtful. He loved his wife and family.....and would often share stories with me about the trips he and Kathy took.

May he rest in peace and may God bless you and bring comfort to you all.

“ *Kathy and Dale were an absolute gift from God when I needed them as a single mother of two boys. Dale took me to the men's breakfast many times along with having them help at the Pantry. They lived just a couple of houses down from us and what a blessing it was. We miss him dearly and look to the day we will all be together again.*

“ It was the first time Patti and I visited Spring Creek Church we learned who Dale Hurd was. At the end of services a couple walked up to us, complete strangers, handed us a card and said if there is anything we can do for you please let us know. It was at that moment I met a minister of God. Dale lived Paul's words of Ephesians 3:7. It was Gods grace that He created Dale to be a minister of His work and Dale live it out fully. He never once refused a call I made for his help. In fact he answered enthusiastically yes every time as if it would be the highlight of his day to assist me in what ever my need was. He watched over and cared for my daughters several Sunday afternoons while Patti and I were gone. He made sure they were fed and safe while we were away. We so often enjoyed our Saturday morning breakfast time with he and Kathy. Such great fellowship and love was shared. Dale always smiled and his attitude was of service and kindness to the waitress, the customers, and the cashier. Whoever crossed his path knew he was a minister of God. I assisted him a few times in his call to serve and minister to the souls at the retirement home. He lived for that moment every week and it brought as much joy to his heart as he brought to theirs. He ministered faithfully at the church food pantry and touched many lives with his service and care. He loved Kathy with an unmatched passion. Dale Hurd taught me great things about serving The Lord and ministering to others. His service will live on in my heart and I know in the hearts of all those he touched. God graced Dale with ministry of love and service and it was by that power Dale Hurd lived every day to the fullest.

“ *The day Dale & Kathy moved to New Waverly was such a blessing to the church in New Waverly. They immediately became a part of our little church family. They were both ready to serve & Dale was a leader in building the new facility that we had all dreamed about building. We enjoyed worshiping together & have many memories of times that we got together. Our hearts are saddened at his sudden death but we know that Dale will have a home in heaven because he was such a wonderful Christian man. Our thoughts and prayers are with Kathy & their family in this loss.*

“ *I was one of Dale's sergeants when he came to the accident division and he was a superstar. Everybody liked him and he quickly became an excellent investigator. He later became a Sergeant and he was again well liked and respected. I suspect that he and Randy Dodd are laughing and visiting right now in heaven.*

“ So sorry for your loss. May the Lord comfort you and your family at this most difficult time.

Dale was a great person to work with and a good friend. We had a great time pulling pranks on Lt. E.J. (it was so easy) of course, it was always Dale's idea! Rest in peace my friend-you are one of a kind.

To Ms. Kathy and Dales family. It was always a joy to see Kathy and Dale on any given day at our store in Tomball. I recently heard of his passing, and I wanted to reach out to give my condolences. May God bless your every step in life Kathy as I know Dale is out there guiding and shining the light on you each day. He was a wonderful example of a child of God in every step he took during the time we got to know him. Thank you for being a part of our lives.
