

Daniel Long

March 29, 2017

Daniel W. Long was born March 12th, 1945. He passed March 29, 2017 after a long battle with his health.

Dan was born in Buffalo, New York to William and Elizabeth Long.

He is survived by his wife of 30 years Susan Long, two sons David (Nicole), Eric (Hollye), brother Bill (Linda) Long, sister Lynda (Donald) DeAngelis and 8 incredible grandchildren Tristan, Ruben, Marcus, Celia, Linda, Andrew, Macey, and Brielle, all whom reflect his light. Dan is also survived by several Aunts and Uncles as well as many Cousins, Nieces, Nephews and In-Laws.

From a young age, Dan was an avid collector. His eclectic interests were eclipsed by his greatest collection, his family and friends. This was evidenced by his life long friendships with John, Dave, Rich and Al. Cultivated over many years, all his relationships remained his highest priority, and he was genuinely interested in others.

His hunger for knowledge was insatiable. He was not always the first one in a museum, but he was always the last one out. His love for music was not hampered by the fact that he could not even hold a note. The consummate salesman eventually became an entrepreneur in the radio communications industry.

He loved unconditionally without prejudice. His love was contagious to everyone from the convenience store clerk to a fellow entrepreneur. He took time to listen and was eager to share all he knew with anyone. He never met a stranger. Dan's legacy can be found in all the lives that he touched.

We invite anyone wanting to come celebrate his life, to do so. If you have special memories about him and want to share them during the service, that would be welcomed.

In lieu of flowers consideration to make a contribution to a favorite cat or dog rescue groups in your area or to the ones Dan supported would make him very happy. www.operationpetsalive.org or www.adltexas.org

“ *Susan and family,*

I was very saddened to hear of Dan's passing. I only had a the opportunity to spend a couple of hour with him. I found him to be a kind, knowledgeable gentleman. He was very respected in our industry and I looked forward to conducting
