Danny Eugene Baisey, 73, passed away Friday, June 6, 2025 after a long battle with congestive heart failure.

Danny was born in Houston, Texas to the late Morris Eugene and Lillian (Johnson) Baisey. He got his GED through the Job Corp, where he learned the trade of heavy equipment operator. He had countless hours of firefighting and law enforcement education credits, all of which he was very proud of. He was a heavy equipment operator for Southern Pacific/Union Pacific Railroad from which he retired. He was proud to serve as a union representative of The Brotherhood of Maintenance of Way Employees. He fulfilled a dream of becoming a firefighter with Northwest Volunteer Fire Department in northwest Harris County. He was passionate about serving the community as a Peace Officer, most recently with Waller County Constable Precinct 2. He was very active as a Mason and was the Grand Master of Men of Faith. He was a horseman, trail rider, and dog breeder. He loved food, friends, and movies. He played a mean game of dominoes! He was a fan of the Houston sports teams - Texans, Astros and Rockets. Mostly, Danny loved his family, immediate and extended, and would have done anything for them.

He was preceded in death by far too many family members including parents,

siblings, cousins, aunts, uncles and others. He talked often of those who went before him and they are all now reunited.

The Addison family and staff of Magnolia Funeral Home extend condolences to the Baisey family during this difficult time.

God loves “Us” that He gave “Us” His only Begotten Son. As difficult as this time is. We all have to come this way. But Remember God will never leave nor forsake us. Peace and comfort is my Prayers.... I may not be there in person but know my heart and love is with all. Love unites. Cousin Karen Johnson Dunn
