

## David Sanford Blevins

September 26, 2021

David didn't always use his words to tell you he loved you, he showed you. With every deed he did, he put his whole heart into, to take any stress off of you and onto him.

Whether it was at the grocery store or at a red light, he made friends with anyone, anywhere.

He did things to bring a smile to your face. Thinking of him brings a flood of memories filled with laughter, joy and so much love, exactly the way he would want it to be.

Spaghetti, milk, and hot sauce will never taste the same. Fishing, golfing, our yards and truck repairs will never be the same.

Finally the birds and David can find common ground, now that he has wings.

He was united in marriage to Bronte Blevins, and blessed with 3 fur babies Trudy, Creed, and Oden.

David was born February 13, 1991 to David Wayne Blevins and welcomed into heaven by his mother, Lucinda Blevins.

He was survived by a sister, Victoria Adams and her husband, Ethan, and his two beautiful nieces McKenzie and Rylee Parker.

The prayers and condolences of the Addison family and staff go out to his family and friends.

“ Where to start. Sanford was one of the longest friendships I've had! He was always there for me and was hands down the most genuine true friend I've had! We were in each others weddings and I'll never forget his "best man's speech" that left us all laughing. As kids, we'd ride bikes all over, and after high school we went to truck shows. The memories we shared will forever be cherished! His sweet mother, Ms. Cindy, has her boy and that gives me peace. I'll forever miss my ol' buddy

“ *I remember when my daughter, Jamie would play with David and his sister Victoria, her cousins , at our house. They were very young, just children. They would run around outside, jumping into the little plastic car and small plastic house playing like they were moms and dads inside the little house. They were so cute and it's was fun to watch them play! What a sad and heartbreaking thing to have happen to such a sweet and sensitive young man. I will try to remember him as a young kid jumping around and having fun with his cousin and sister. God Bless you David And Bronte. God Bless your sister Victoria , in this time of sorrow. Love , Andrea, Jamie, and

“ I meet David aka “Bubbles” my freshman year in high school at langham creek. He was funny and fun to be around. He lit up every room he entered. His energy and his smile was unmatched. Even though we haven’t really talked in a couple years. I will always remember him and all of our memories. Rest In Peace my friend. Until we meet again. Praying for the Blevins family. My truest and deepest condolences to you all. Love - Rodnely Torres

“ I meet David 9 years ago when he started working for Katy ISD. I thought man what a crazy person this guy is. About a year later he joined my team and we became really close friends. I have told David many times that he was a pain in my rear. We had some bad times together but way more great times together. When he told me the last time that he was going to another job I pulled him to the side and told him that he was like the son I never had and would always be here for him. I will always have a big place in my heart for him. Bronte he loved you very much!!! You are the best thing that every happened to him.

David I Love you. RIP my friend.

“ I remember in 2010 went to see the theatrical showing of true grit. Who is the first time I've ever seen speechless. We rode all the time at the barn I'm in for a road down the way he was on a white horse that was acting up it pitched him to the ground and I had to ride back up through fair, half way back I saw this black head of hair pop up . I had been screaming his name, when I rode up I was laughing so relieved he was ok.

“ The biggest memory I have of David was when Bronte and him came down for my wedding and we were chilling at my moms on the back porch and you could tell he was so nervous but anxious and he said I wasn't gonna ask because this is your day but what would you say if I asked if I could propose to Bronte at your wedding? I smiled and told him of course I would love it!! He told me “I'm not gonna lie when I first met you I thought you were not a nice person but you are pretty cool” and all I could remember was laughing so much with him and trust me it was sooo hard for me and him to keep that secret but I am so blessed that he got to share that moment with us! David was such a blessing in all of our lives! I'm gonna miss him like crazy!
