

David Flores

May 31, 2026

David Phillip Flores, age 62, of Point Blank, Texas, passed from this earthly life into Paradise to meet his Lord and Savior face-to-face on May 31, 2026. David, a born-again believer, who lived out his faith quietly through daily kindness and a steady trust in God's plan, was born in Harlingen, TX and spent his formative years in Raymondville until he graduated in 1982. He then completed his post high school education at Texas A&M where he earned a B.S. Degree in 1986 in Petroleum Engineering and a Masters Degree in 1987 in Petroleum Engineering. He spent the majority of his life working in the oil exploration and production sector in the U.S. and South America. During the last four years of his life, David transitioned out of the energy sector and pursued a career as a public school teacher with Huntsville ISD, a job he felt was truly rewarding.

David is survived by his mother, Nora McAdams of Spring Branch, Texas; his sons, Phillip Flores and his wife Jennifer of The Woodlands, TX, Bryan Flores and his wife Sierra of Charlotte, North Carolina; his sister, Sandra Gregory and her husband David of Spring Branch, TX.; one grandchild, Olivia Flores; and the mother of his children, Rose Jones of Houston, TX.

A memorial service will be held on Friday, June 12, 2026, at Magnolia Funeral Home located at 811 Magnolia Blvd., Magnolia, TX, with service starting at 10:30 A.M.

He is now at peace in the arms of our Savior. We rejoice in the promise of eternal life and look forward to our reunion in Heaven someday. (1 Thessalonians 4:13-18)

“ Today we honored my cousin David — a kind, intelligent, deeply faithful man whose quiet strength touched so many lives. Hearing the heartfelt tributes from his sons and from Aunt Nora reminded all of us how faithfully and generously he lived his life, always willing to help others without seeking recognition.

May we all live with the same kindness, faith, and steady trust in God's plan that David carried throughout his life.

Rest peacefully, David. 🍷🕊️

“ Mr. Flores was one of the first teachers I connected with when I started at Mance Park. He was friendly and easy to talk to. I was always glad to see him in the hall or the teacher lounge. I'm glad I had the chance to work with him. He will be missed.

“ David recently fixed his boat dock and was so proud of it. He often spoke about his love of fishing. Take solice in knowing he's off on an eternal fishing trip, down by the river's bend, enjoying waters where the big ones are always biting. Now that he has all the time in the world, you can bet he'll be spending every day out on the boat he loved so much, casting lines and keeping an eye on the water.

“ *David Flores was a kind and caring man who genuinely wanted to help everyone around him. When he joined our GT team during the 2025–2026 school year, he immediately became a valued part of our group. Every week, he attended our meetings with a commitment to helping students grow in their critical thinking skills and reach their full potential.*

One of the things I will remember most about David was his kindness and presence. He always made a point to say hello, and that simple gesture often brightened my day. He took the time to engage in conversation and became a part of our small team. His willingness to connect with others, support students, and contribute wherever he could made a lasting impact on all of us.

David's compassion, dedication, and genuine heart will be deeply missed. I am grateful for the time I had the opportunity to work alongside him, and I will always remember the positive difference he made in the lives of so many students and to myself.
