“ *I am David's sister in law that lives in south Florida and big sister to Kim. My best memory is when I came down to Texas last year in March for our other sister Tonya birthday. We all decided to go eat some crawfish one night before I would leave. We joked around and greatest time together. Boy he loves crawfish . After dinner he and my son Chris who went down with me play games with little David till movie time. He was good to my sister and good father too. I saw this every time I saw him. I will miss him dearly*

“ *My first time seeing you, you were 2 days old. Your Momma came in with you. She was looking kind of stressed. I wasn't sure with my 11year old mind, why?She gently lay u on the couch. Opened the beautiful blanket she so lovingly wrapped u to come home in. There was 🤔 from your cheeks down 🤔 I started laughing so hard! But only for a minute. Needless to say your Mom threw me a hairy eye ball and it wasn't funny anymore. Not sure if this is appropriate but it's my first memory of my precious little Dave. Hug your Mom and everyone Dave. Til we meet again nephew💜*

“ *I met David when he was around 2 years old. He was always happy and smiling. Cutest little blonde headed boy there ever was. He grew up to be a kind sweet man . I haven't lived around him for many years but I know he was the best Husband ,Father ,Brother ,nephew and cousin. I did get to spend some time with him a while ago. He was still smiling and still the cutest little blonde there ever was. He told me how much he loved his family and told me he loved me to. I loved him very ,very Much. If there was one word I could say that I felt about him is WARM*
