

David Marshall

January 19, 2023

David Marshall, age 47 of Spring, passed away on January 19, 2023. What mattered most to Dave - undeniably and emphatically - are his family, friends, music, and soccer.

Dave's love for the Beautiful Game began at the early age of 5. Over the next 42 years he was committed to the game as a player, as a teammate, as a team supporter and ultimately as a fan of his kids. If you played with him, you might have been on the receiving end of a few cross words, joined in with him to "counsel" the referee, if you needed tape ... he was your guy, witnessed him grow into a leader, or watched how he moved off the ball, made a good pass, played in a great cross, or simply took a shot without any angle.

If you had the chance to sit with him on any sideline, the banter is one that none of us will be able to replace. Through the game Dave built many strong and lasting friendships. He held those friendships very close and tried his hardest to always work in a gathering so he could try and recreate the memories with those that had such an impact on his life.

His family had no choice but to love the game, just not his loud cheering. The game gave him the opportunity to be more than just parent, he was a coach, a team manager, a trainer, and his kids biggest supporter. He taught the kids how to equally love the game, to be disciplined, and to be the best teammate.

Outside of soccer, Dave's time was spent playing DJ, catching a show, sharing his words of wisdom, or poking fun at your expense.

He was an amazing person, one-of-a-kind, and will be missed by so many.

David is survived by Michelle Marshall (wife), Wade Marshall (son), Collins Marshall (daughter); Bill Marshall (father) and Joanne Marshall (spouse), Keith Koteris (stepfather) and Maria Koteris (spouse); Kristin Jolley (sister) and Luke Jolley (spouse); Kari Harper (sister) and Jonathan Harper (spouse); Bryan Marshall (brother); nieces and nephews; Annabelle Marshall (dog).

In lieu of flowers, the family has requested that donations be made to the kids' college funds. Details will be shared by Michelle in the coming week. Any amount is appreciated.

The Addison family and staff of Magnolia Funeral Home extend condolences to David's family and friends during this difficult time.

“ Like many here, I met Dave through “the beautiful game” (avoiding the football / soccer semantics debate) and we’d watch our children play and train alongside Wade. Dave played the game, watched the game and understood the game and, with his dry wit and insights, he was a real pleasure to sit beside on the touch line. He’d construct his tiny little chair and sit amongst the other parents, his head 1 foot lower than every one else. Always the tiny little chair. I’m fortunate to have known Dave and he was an absolute top bloke. Miss you fella....

“ Thankfully our paths crossed through the kids football, we hit it off straight away through our like minded sense of humor, banter and love for the beautiful game. Many hours sitting at practice and games setting the world right, providing our world class knowledge and agreeing we never had a bad game. The 4 or so years I knew you actually feels like we have known each other since being kids. Going to miss you pal, sleep tight and until we meet again, love you!! x

“ Dave is a friend! No matter where I would see him, soccer fields or picking up the kids at school he always had a smile on his face. We always talked about getting together but always had the same excuse of soccer on the weekends. I wish I could of made more time for him, Michelle and the kids. I will miss you Dave, thanks for being my friend!

“ How very special Dave was to the Bucek Family. I wished I had personally told him so the last time we were visiting regarding a mortgage issue. Of course, I know he now knows how much I love him. I know that one day we will all reconnect with those we love but that doesn't diminish the loss I'm feeling right now. I know in the future every time I hear the words "World Cup" or "Sam Houston Soccer" I'll think of Dave and the love he had for Michelle, Wade and Collins. The three of you are in my thoughts and please call on me if there's any way that I can bring comfort to you in the days ahead. Mike Bucek

“ Dave’s post after USMNT beat Mexico in Cup of Nations... “I do not know what the Cup Of Nations trophy means but I know Mexico does not have one!” That still makes me smile.
