“ *To Bethany and children:
I worked with David here at Dartford Square. I want to sincerely tell you what a wonderful man he was to work with. He always had a smile and was so kind. We will miss him terribly here - no one will ever be able to replace him*

“ *David was a loving person. He was always willing to help my family. He was a positive role model for my daughter, in a time where she needed to see that. He will be remembered for the good person he was.*

“ *I always thought of David as a gentle giant because he seemed to be a big guy with a big heart. I used to run into him at Tomball Nursing Center. He was one of those people that seeing them just made you feel better. He always seemed to be such a kind*
