“ My dad was the best dad I could of asked for , he would do anything for me . He took me on trail rides , taught me how to ride horses 🐎. He would sing to me every night. (he couldn't really sing that good but I still loved when he would sing to me) I will always love you .

“ *I remember going over to Nancy when my grandson Patrick was just a few months old and David was over there. He wanted to hold him and he played with him for a while I think I might still have the picture. David was always so nice and thoughtful.*
