“ *I knew Demetrio for over 50 years. He worked with me over 45 years. In the late 1980's I assisted him in obtaining his first green card in the USA. Demetrio was a hard worker and extremely versatile. He could perform any task involved in the cultured marble industry, from setting up molds, to pouring cultured marble, to cleaning, to installation. Demetrio could do it all. What separated him from most others is his willingness to work anywhere I needed him to work. Demetrio was always very mild mannered and a gentleman to everyone. After Demetrio retired he was always willing to come back and give us a hand when we got too busy. Demetrio was a very good man. He was a very good employee. Demetrio was my friend. I am going to miss Demetrio. I loved Demetrio. I am including a picture of my entire company at Thanksgiving Day 1991. Demetrio is seated on the front row far right. Rest in Peace my friend!
