“ Mom picked the greatest guy to be her husband. He worked hard but he liked to laugh too. Yes, he was stubborn and hated to leave something unfinished. Sometimes what he said you may not have liked but it usually needed to be said. There were no strangers, he would find out your name. He seemed so tough but he had a heart of gold. He loved his family no matter; deserved or not. When anything happened he was a phone call away.

Daddy, the greatest man and missed so much already!
