

Diane Glover

April 21, 2022

Diane Glover, age 57 of Spring, passed away April 21, 2022, following a lengthy illness.

Diane was born in Miami, FL in the middle of Hurricane Cleo, she lived in South Carolina and North Carolina before making her home in Spring, Texas.

Diane was a very talented singer and piano player. She loved all types of classical music, but Beethoven was her most favorite. She had a talent to play piano by ear and could usually hear a song and be able to sit down and play it. She won several competitions in junior and high school for her musical talents. She loved Doris Day and Marilyn Monroe and would sit for hours watching all types of musicals on TV. We know she is now playing piano in heaven and will be deeply missed by all her family and friends.

The Addison family and staff of Magnolia Funeral Home extend condolences to Diane's family during this difficult time.
