In the early hours of Sunday, January 5, 2020, Dolores Norcini was promoted to angel at the long-awaited age of 87. She was in the comfort of home and in the arms of her loving husband of 64 years, Nick Norcini. She now joins her parents, sister, aunts, uncles, cousins, in-laws and many, many dear friends as her soul rests in eternal celebration with our Savior, Jesus Christ. We can only imagine. It is a storybook ending to a beautiful life filled with love, family and memorable adventures.

Dolores was born in Shenandoah, Pennsylvania and graduated from West Catholic High School, Philadelphia, Pennsylvania. In 1954, she married Nicholas Norcini. Eleven short years later, Nick received a promotion opportunity in a faraway land called Texas and in 1965, they moved their family to Houston to begin a new life. During this family transition, Dolores also transitioned to “Dee” and started a 10-year commitment dedicating and volunteering her time to her children’s lives and their school activities.

Shortly after this, Nick retired from his lifelong career company and they opened a successful print shop in North Houston. After 15 years, they both retired and joined their beloved camping group, Lone Star Sams. They spent the next 10 years enjoying the company of many dear friends on monthly outings, playing games, sharing meals and stories and traveling across the great US of A.

Once physical disabilities limited their travels, Dee spent her remaining years of quality time at home in Magnolia with her beloved family.

Dee is blessed to be survived by her sweet husband and caregiver Nick, her twin boys born in 1956, Daniel (married to Joleen) of Idaho, Donald (married to Jo Nell) of Cypress and daughter born in 1957, Phyllis (married to Latisha "Niki") of Tomball. She also leaves behind 8 grandchildren (Sabrina, Jared, Danny, Rebecca, Deede, Heather, Janessa and Leandra), 5 great grandchildren (Brooklynn, Olivia, Nolan, Jaxson and Tobias).

Dee was a kind and charming lady who will be dearly missed by all who knew her. May she rest in peace.

The Addison family and staff of Magnolia Funeral Home extend condolences to Dolores' family and friends during this difficult time.

“ *Dee was a sweet and kind friend to my family, especially my mother, Joyce. They loved to talk, camp, play games and travel with Nick and Jack, and other Good Sam “family/friends“. They had so many wonderful adventures but I’m sure they will pale in comparison to all she is witnessing in heaven.*

My prayers are with Nick, Phyllis and all the family. Peace and comfort.

Love, Glenda (Jack and Joyce’s daughter)

Glenda Koctar - January 08, 2020 at 10:16 AM

Glenda, my mom loved your mom so very much. When your mom passed away, a part of my mommy’s joy also went away. She was devastated and that’s about the same time that she began feeling badly. They made beautiful memories together and now my dad is the last one. I promise to coddle him and love him enough for all of them until he joins them in gloryville. Your words were spot on. Thank you.

Dee was such a gracious and sweet friend. What fun we had with she and Nick at our Lone Star club outings, playing games, pot lucks, projects and all the various adventures.

Thankful for good memories and blessed for knowing her.

Rheta, your phone call was exactly what I needed! Dad said the same thing! They would come home from camp outs..." Rheta did this. Rheta did that!" Rheta was always a doer and my mom loved your drive and tenacity. She also loved your loyalty and commitment in doing things for and with Bill. It's time to slow down a tiny bit and let God.
