

Ms Dorothy "Lynn" Burrell

December 19, 2022

Dorothy "Lynn" Burrell, age 71 of Tomball, passed away December 19, 2022, surrounded by her loving family.

Lynn was born in Monticello, AR, but raised with four siblings in Houston, TX.

Lynn worked as a benefits coordinator for a number of years with her best friend Susie for the Electrical Union. She also spent a number of years as a Human Resources Director for a large catholic hospital group and multiple hospitals in Denton, TX.

Lynn was known for helping people especially family. She helped her step-mom fight cancer for six months while taking leave from work to help her. She also went to Alabama for a couple of weeks to help brother Randy. She also helped her sister Teresa when she needed help.

When Susie, "her sister-in-law" and her absolute best friend, got sick, Lynn moved in with her for over six months to help her get through a liver transplant. She continued to help Susie until her health got so bad she had to address her own issues and let others help Susie. Susie never recovered.

Lynn took in family members in need numerous times. For the last seven to eight years our great grandkids have lived with us and are being raised by

Waymon's window "Candy". Lynn said we had to help all family members regardless of how long it took.

The Addison family and staff of Magnolia Funeral Home extend condolences to the Burrell family during this difficult time.
