

Douglas Charles Chadick

October 2, 2021

Doug was co-owner of Northwest Fiberglass with business partner Danny Miller for 24 years

He loved fishing, riding his Harley, and relaxing at home.

Doug only knew how to do things one way... and that was with everything in him. Whether working with his hands or loving friends and family... he gave it all. He has left behind an amazing legacy of love.

Part of that legacy of those who will lovingly remember him include his wife Bich, which he met in 2014. They loved one another for 7 years before joining in marriage on 11-11-2020. Other loved ones include children Cody, Jared and Nina.

He will also be missed by his brothers Richard and wife Jaci, Marlin and wife Corie, Darrel, and sisters Kimberly and husband Eric, and Ashley.

There are also 2 grandchildren and many nieces and nephews.

Doug was preceded in death by his parents and nephew.

The condolences of the Addison family and staff go out to his family and friends.

“ You were more than a brother. We always had that connection growing up. You were gone to soon after we reconnected. I have the memories but it's not the same as you being here. I'm still torn between happiness and sorrow knowing that the last thing you were going to do the day that God took you was finish my boat and surprise me. You were a good man and special to anyone that you met who truly knew you. I will miss you but will joyfully look forward to the day we are each other in the other side. I love you and miss you already my sweet cousin.

ME

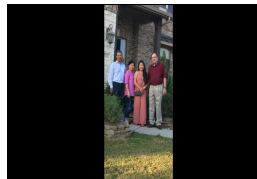

My prayers to Doug's family and Danny's family. I only just learned of Doug's passing and haven't seen yall in many years. You both were always so kind to me and made me feel like family. I could call Doug and talk boats and things and he always made time for me. I will always keep those fond memories.
