

## Douglas Joel Marek

January 6, 2012

The Addison family and Staff would like to offer their condolences to the Marek family.

Douglas is survived by his parents Jim and Patricia Marek, grandmother Emily Sheard, siblings Jesse Marek, Kenneth Marek, Sandra Marek, Joy Skaug and her husband Eric, her children Colin and Anna and many other special relatives and friends.

In 2004 Douglas graduated from Cy-Fair High School. He attended the University of Arkansas in Fayetteville, where he completed his Bachelor of Science in Industrial Engineering in Spring 2009 and his Master of Science in Industrial Engineering in Fall 2011.

Douglas was an accomplished musician on the cello and played piano and mandolin. He enjoyed birding and in college discovered an interest in hiking and camping. He developed an interest in computers at an early age and built his own computer. He enjoyed connecting with many friends who shared his passions.

There will be a memorial fund set up in Doug's honor through the University of Arkansas Foundation that will be dedicated to helping industrial engineering students get started in their careers.

If you are interested in donating to the fund, please contact Sandy Sehon or make your check payable to the University of Arkansas Foundation, and indicate in the memo line "Douglas Marek Memorial" and send to:
