“ *E.B. was truly a "one in a million" kind of person. I remember when he called me his "fishin' buddy" and how much those 2 words meant to me. He will truly be missed and will always be in our memories. His jokes, laughter and contagious smile went with him wherever he went. It was an honor to be his son-in-law. He was my first boss when I was 16 years old and everybody always liked working for him. Such a great man!!*
